Coach travel

-The most popular companies are **MeĀabus** and **Flixbus**, that attract in particular younĀ people ÿor the cheap price.

-Coach travel is not just domestic.
Some European companies, like **Eurolines**, offer you to visit many European cities.

-For example in United States and Canada the Greyhound connects over 3800 destinations.
Greyhound operate in Australia, Mexico and South Aÿrica.

-Coaches can be part oÿ a **lonĀ-haul packaĀe-holiday.**
-Today **coaches** (or intercity bus) are **very modern.**

-They can offer: **air conditioninĀ, reclininĀ seats, spacious leĀroom,**

on-board toilets and ÿree Wi-Fi.
In ÿact, oÿten coaches are more comÿortable than airline planes.

-No-ÿrills companies are coaches companies that offer trips with prices as low as possible, but offer only basic services.

AdvantaĀes:

> Modern coaches are very

> Often coaches are cheap.

comfortable. > Coaches are also

eco-friendly.

> You can do the check-in in short

times. > There aren’t luggage

restrictions.

> You can visit many cities always on board the bus.

> Arrivals and departures are in different points of the city centre.

DisadvantaÃes:

> You can risk being queued for traffic.

> Sometimes you can stay on the bus for days.

> You have to sit for long periods without stopping.
